Saint James School is excited to be partnering with Hallow this year and next to provide a tool for mental and spiritual health for faculty, staff, and students. Hallow is the #1 Catholic app and provides thousands of audio-guided sessions to listeners, covering a variety of prayer techniques, topics, and styles. The Hallow team works with Catholic schools and parishes to offer Hallow at a discount for teachers to use it in the classroom with students.

We would like to set up accounts for ALL of our students so that teachers may use Hallow in the classrooms. In order for us to set up your child's own Hallow account, we need your permission. *(The company complies with Federal COPPA guidelines, and you can read more about their privacy policy at hallow.com/privacy.)*

To give your student permission for a Hallow account, please complete this Google Form ASAP:

[Parent Permission Slip for Hallow](#)

Your student will have a personal Hallow account designed for use in the classroom and **at home**. The content on Hallow includes music, sleep stories, meditations, and prayers designed specifically for kids and students of all ages, as well as families.

If you have any questions about the product or how your child's account will be set up, please reach out to the Hallow team at schools@hallow.app or at 773-900-7145.

God bless you,

Sister Mary Grace, O.P.
