## VOLUNTEERS NEEDED! ANNUAL CEMETERY OF THE INNOCENTS

3,000+ small crosses will be installed again this year on the lawn of Dr. and Mrs. Bill Godfrey, at the intersection of Ring Road and Pear Orchard Road in Elizabethtown. Cross installation will begin at 11am next Saturday, October 25th. Volunteers for three functions will be needed: First, an appeal for precision: Attention to detail in every action we take will show up in the finished work. Our aim: To create an eye-catching, thought-provoking display.

### ORGANIZATION OF THE WORK

**ASSEMBLERS.** Using a #2 phillips screwdriver, Assemblers align the crossmember of the cross to a sharp 90 degree angle with it's vertical member then tighten the screw "snuggly."

**RUNNERS.** Carry crosses to their paint-marked installation positions in the field, being careful to avoid stepping on cross position markings or crosses already delivered or installed.

**INSTALLERS.** Using only rubber mallets, to avoid damage to the crosses, install crosses into the center of the paint mark with the horizontal arm on the Ring Road side. Erect cross vertically and parallel to its adjacent rows. Knee pads could be useful for this work. Crosses should be driven in deep enough to resist wind and weather (~6"), but no more.

Consider wearing gloves, warm socks, water proof/ resistant footwear, hat, earmuffs or hooded sweatshirt, appropriate to weather conditions.

Please bring a #2 phillips screwdriver and a rubber mallet, if you have them.

**WHY NOT COME AND HELP US  
WITH THIS FINE FAMILY ACTIVITY?**
