

SJS Fundraising Activities

2026-2027

SJS has determined the fundraising events that will occur throughout the school year. We hope this calendar will allow our families to plan and support the activities that are important to them. The fundraising activities and service projects are listed by month, and each beneficiary is below the activity. **A gray box denotes service projects.** The PTO funding throughout the year benefits the school's operating budget, teacher needs, and provides fun and engaging activities for our students. ***Additional fundraisers may arise during the year.**

Special Project*

Athletics

Students who participate in athletics will be charged a fee per sport. This fee will be charged before the season begins and assists each team in providing necessary items for athletes. Team fees may vary. Please be certain to plan ahead for these expenses. This year, we have options for parents to participate as an Athletic Booster. If you are interested in learning more about this opportunity, please contact Jennifer Moran jmoran@sjschoolonline.org or 270-765-7011 ext. 119.
